

Things to remember about all applications and permits:

Be certain to complete the entire application

Make certain you have a detailed drawing of existing and proposed structures.

Make certain to show all dimensions of existing and proposed structures and show their distance from the property line.

Make certain you give detailed directions from the nearest highway (County Road 219-A, State Route 219 and State Route 127, County Road 716).

Make certain to display your building permit in a place that can be easily seen from the road.

The following permits are those which are most often requested. Please feel free to print the necessary permit, complete, and mail to Franklin Township Zoning Inspector:

**Steve Keithly
6805 State Route 219
